

BCEDC Announces 30 x 30 Drive

The Belknap County Economic Development Council Board of Directors, in planning for the Council's annual meeting March 30, has adopted a "30 by 30" theme. There are currently 85 sponsoring businesses of the BCEDC. The board hopes to enroll 30 new or renewal members by the annual meeting date of March 30. Council Chairman, Tony Ferruolo, said, "Our annual meeting provides us the opportunity to assess what we have accomplished for Belknap County over the past 12 months.

One of our key accomplishments is the ongoing support of our member sponsors. In recognition of that, we are actively pursuing 30 new or renewal memberships so that 30 more businesses can share in our success." Any Belknap County business seeking to participate as a member sponsor may contact Ferruolo, Membership Chair Don Morrissey or a member of the BCEDC staff at 524-3057.

Membership costs start at only \$75.00 and are an investment in the economic future of Belknap County and its citizens.

Created in 1992, the BCEDC is a regional non-profit economic development corporation that serves the businesses within the eleven municipalities that comprise Belknap County. It offers a wide range of technical and business development assistance including a Business Information Center, one-on-one counseling, workforce training programs, and a countywide revolving loan fund (RLF).
