### **Region-Wide Events Calendar now online!**

Are you looking for something special to do this weekend? Does your organization need to market their event? The Belknap County Economic Development Council (BCEDC) has unveiled a Lakes Region Events Calendar on their website – [LiveWorkandPlayNH.com](http://LiveWorkandPlayNH.com). Any organization can post their event free of charge. If a company registers with the site they can include their logo free of charge. Event categories range from Concerts, Theatre, Workshops, Fundraisers, Children's Events, Museums, to name just a few. The objective is to create a one stop comprehensive site that lists all that the Lakes Region has to offer.

The website, [www.liveworkandplaynh.com](http://www.liveworkandplaynh.com), designed by Dale Dormody of DK Net Design with community input is a gateway site created to direct anyone interested in the Lakes Region to the wealth of natural, cultural and economic amenities of our wonderful region. Although the site is the property of the BCEDC, it has been designed to be as inclusive as possible and not dependent on businesses or entities paying a subscription. The inclusiveness is important, so that both the breadth and depth of our resources and amenities are recognized. Promotion of the site will focus on cross linkages with community and state websites.

Created in 1992, the BCEDC is a regional non-profit economic development corporation that serves the businesses within the eleven municipalities that comprise Belknap County. It offers a wide range of technical and business development assistance including a Business Information Center, one-on-one counseling, workforce training programs, and a countywide revolving loan fund (RLF). The RLF through 2005 has lent \$4.7 million to area businesses. For more information about any of the Council's services, contact the Belknap County Economic Development Council at 524-3057 or email us at [info@bcedc.org](mailto:info@bcedc.org). The Council is located at the Lakes Venture Resource Center, 2 Airport Road, Gilford at Southern New Hampshire University – Laconia Center.
